ANTIOCH, ILLINOIS, THURSDAY, DECEMBER 28, 1967

VOL. LXXXII. NUMBER 27

Bill Brook, President of the State Bank of Antioch presents Scout Calendars to Antioch Boy Scout Daryl Gussarson of Troop 91, Pack 86 Cub Scout Bill Harland, and Scoutmaster Dick Harland, of Troop 91.

State Bank Sponsors New Scout Calendars

The State Bank of Antioch is sponsoring the Official Boy Scout and Cub Scout Calendars in our community.

Troops 91 and 92 will distribute the large calendar as their service project and Cub Packs 86, 88 and 192 and

Troop 88 will distribute the home calendars.

Approximately 100 Boy Scouts and 100 Cub Scouts living in Antioch, Grass Lake and Channel Lake will receive calendars designed to be hung and used in their homes.

In addition to the home calendars, the Boy Scouts will distribute a calendar with a picture of an original painting by Norman Rockwell titled "Scouting Is Outing" to all retailers, manufacturers and community organizations.

Hilliard Telinski Wins First Prize For Xmas Decorations

Hilliard Telinski of Catalpa Avenue, Channel Lake, Rte. 3, Antioch, took first place in the Christmas Home Decorating contest conducted by the Antioch Moose Lodge.

Telinski created an impressive scene, as he has done in previous years, and this year it represented the Village of Antioch in the Christmas spirit. Included in the scene was the Jewel Food Store, Ace Hardware, a Jail House, The Three Wise Men and a Chapel.

When asked about the jail house, Mr. Telinski gave credit for this idea to his son who said that it represented the happiness at Christmas time of NOT being in jail.

Mr. Telinski works many months on his creations and he starts planning for the next on as soon as the new year comes in and the Christmas decorations are taken down. His gift, which was delivered to him by the Governor Warren Andre, and the Senior Regent Jerri Polson, was a statuette of the Holy Family.

Second prize, a beautiful salad bowl set, was presented to Ray and Eleanor Doll on

Fourth Avenue in the California subdivision. Their home was vividly bright with all the Christmas decorations.

Third prize was awarded to Mr. Rumsa, owner of the Loon Lake Pet Shop for his decorations of a manger scene, set in a shell. The colorful lights went all the way to the rear of the home, sending the Christmas spirit in every direction. His gift was a beautiful pair of candle stick holders.

Judges were Warren Andre, Jerri Polson, Mr. and Mrs. Seth Mark, Mr. and Mrs. Scott Birdsell and Mr. and Mrs. Jerry Stoken.

The Antioch Moose Lodge also aided in making one family happy for Christmas. A donation of a complete Christmas meal, plus toys and other incidentals was given to a Round Lake Beach family who would not have had such a merry Christmas if it had not been for the Antioch Moose.

Theodore M. Bontkowski

Bontkowski Named Manager of Pioneer Lake County Office

Theodore M. Bontkowski has been named manager of Pioneer National Title Insurance Company's Lake County office.

Bontkowski's appointment was announced by Herbert T. Theiss, vice president and Illinois Division manager of PNTI.

He said Bontkowski's responsibilities will include the building of the title plant, which is underway at 203-213 West Water St., Waukegan, and managing the title operations when PNTI begins issuing policies in Lake County.

Lumber New Head of College Board

F. James Lumber has been named to head the newly elected Lake County Junior College Board, it has been announced.

The selection of Lumber, an attorney, was made at the first organizational meeting of the board held in the office of Lake County Superintendent W. C. Petty.

Herbert L. Wesner was voted vice chairman and Mrs. Roland Sandee, secretary. A treasurer will be elected at a later date.

The board held a second organizational meeting last Saturday to discuss further plans for the junior college.

Petty said he has scheduled a dinner meeting Jan. 10 for the board where they will meet with Gerald Smith, executive director of the state junior college board.

Smith will discuss problems the new board may encounter and will bring application forms for \$100,000 state grant that the state gives to a new junior college district so it can get under way.

Mrs. Dick Burnette New March of Dimes Antioch Chairman

Mrs. Richard Burnette, 917 David Street, Antioch, has accepted the Mothers' March chairmanship for the 1968 Antioch March of Dimes. The appointment was announced today by Mrs. Samuel L. Andelman, Mothers' March General Chairman.

As chairman, Mrs. Burnette will recruit volunteer marchers for the 1968 mothers' door-to-door appeal. The Mothers' March on Birth Defects will take place January 30 as a climax to the month long drive for funds to fight more than 1,000 types of birth defects which yearly disables more children than any other health problem.

"The March of Dimes' nationwide chain of 82 Birth Defect Treatment Centers offers these stricken youngsters a healthy future," commented Mrs. Burnette. "To give hope to the mother whose child is born less than perfect... this is WHY we mothers march."

Total snow this season: 3.75" REMARKS: The climate in Lake County is typically continental with a wide annual temperature range, often more than 105 degrees, with frequent changes in temperature, humidity, cloudiness and wind direction. The changes caused by Lake Michigan are often over-emphasized. A breeze off the lake in summer may drop the temperature ten to fifteen degrees and the opposite in winter, but this seldom extends more than a few miles inland. This doesn't happen too often so it is not a real climatic factor. The highest and lowest temperatures recorded annually at Antioch and Waukegan seldom differ more than one or two degrees.

One of the four continental seasons arrived here Sunday evening and gave a white Christmas, winter.

Donations To Rescue Squad

Mrs. C. Converse, Felix B. Schani, Mrs. L. Henninger, Wm. A. Gifford, Jr., Evelyn E. Schroeder, Lawrence Thayer, Edward Leber, Mr. and Mrs. Frank Walsh, Jr., William and Ruby Brunelli, Mr. and Mrs. Mickey Bemont, Betty Grande, Richard Edwards, Alfred Jerde, George R. Bolek, Mr. & Mrs. George Dees, Rosaline I. Rietschel, B. J. Corbin.

Cary L. Crank, Al Kumpfer, Jr., Tom Martino, Maynard & Marjorie Schneider, Paul Portwich, Sr., Mrs. J. A. Sebelien, Walter Zeck, Bessie Spychala, Raymond B. Tekip, Ted Paulas, R. W. Thimmes, Rose McGuinness, Rev. A. J. Henderson, Englewood John Erickson Club.

Gordon M. Mallory, Homer Fowles, Mr. and Mrs. Dewey Ritchford, J. Fred Gill, Phyllis Stezelecki, Mrs. Harriet Pison, Mrs. Paul Kastock, Emma M. Engel, Mr. and Mrs. James Carlson, A. W. Schumann, Albert Damske, Anna M. Dickson, Mr. and Mrs. Arnold Schulmeister, Cecil Dodd, Mr. and Mrs. G. Gilpin, Christine Schlange, Alice Harvey, Lillian Kuhfuss, G. Casco.

Postmaster Thanks Residents, Workers

Antioch Postmaster Joseph Wolf today thanked the public for its patience and cooperation during the Christmas rush.

"We couldn't have done the job alone," Wolf said. "Everyone cooperated and we were able to deliver all the holiday mail reaching the Antioch post office in time for the last delivery."

Wolf said as a result postal employees were able to spend Christmas with their families.

"If the people had waited for the last minute to mail their gifts and greetings," the post master said, "we would have been working throughout the holiday."

Wolf said his crew handled 769,504 pieces of first class mail plus 2,994 sacks of parcel post.

He also noted that there were no backlogs in post offices throughout the area. A significant factor in this was the use of the ZIP Code

Mayor Toft's 11 Hopes For Antioch In 1968

As the old year goes on its way, and another year comes along—one naturally has certain hopes for the future—and Mayor Raymond Toft is no exception. The village of Antioch is very close to his heart—and in an interview with him, he named the following 11 projects he hoped would be completed for Antioch in the coming year.

Number one . . . Finish our sidewalk project which has been going on for the past two years. (Hope to have it finished this year.)

Number two . . .

We would like to finish the parking lot behind the stores on the east side of Main St. We started filling it in last fall, and hope to get it completed in 1968.

Number three . . .

We hope to start putting in curbs and gutters on some of the streets that do not have them.

Number four . . . We would like to widen Orchard St.

Number five . . .

We want to put new lights in the municipal parking lot in the water tower area.

Number six . . .

Would like to see a Stop and Go Light installed at Main and Lake Sts.

Number seven . . .

We hope to widen Lake Street.

Number eight . . .

We would like to obtain additional property for the park area, as close to the pool as possible.

Number nine . . .

We are hoping to try and put one ball diamond in for Little League in the vicinity of Cunningham Drive and Poplar. This probably won't be ready this spring—but hope we can have it ready in a year or so.

Number ten . . .

We would like to resurface Victoria Street from Lake to Hardin St.

Number eleven . . .

We want to resurface Hardin Street from Victoria to Main Street.

Police Chief Resigning Post For New Position

Antioch is going to lose its police chief, but it may not happen until May 1.

Reports that Police Chief Harold Mason is resigning have been confirmed, but no official notification has been given the village board.

Mayor Ray Toft Tuesday said he had never received a letter from Chief Mason but "I did talk to him and he indicated he was leaving, but it wasn't a thing that is going to happen overnight."

Mason, himself, said there was no hurry. Toft said he doesn't have anyone in mind for Mason's job and that he probably would not make a permanent appointment until May 1.

"But Mason is through as of May 1, anyway," Toft said, "because I am sure the board

wouldn't approve his re-appointment after such an announcement."

Toft said Mason told him he would submit a letter of resignation when the time came.

Mason will be the second chief in less than a year to resign the post.

He has 23 years of police experience in his background, five of those on the Antioch police force. Before coming to the Antioch force, Mason was employed by the Central Burglar Alarm Co. on Chicago's southside.

Mason took over the post last May 1 after Jack Heick resigned to go into private business.

The police chief said he is leaving to take another job.

Antioch Library Joins With NILS

The Antioch Township Library is one of the newest members of the Northern Illinois Library System.

Its application, according to executive director J. R. Chitwood, has been received by the headquarters library in Rockford and will be immediately processed.

Lake County is now represented in the system by three other libraries, Waukegan, Lake Villa and Grayslake-Avon.

The system has 48 members from 11 counties and serves more than 400,000 persons in an area of 4,000 square miles.

Under the program, books, especially new fiction and non-fiction will be provided to the Antioch Library in abundance, as well as films, both 16 and 8 mm, filmstrips, recordings, stereo tapes, framed art reproductions and periodicals.

Reference and research assistance will be provided by the headquarters staff and special material will be obtained, upon request, from resource centers elsewhere in the state.

A bonus system also goes into effect with membership in the organization. The plan is a reciprocal borrowing privilege, whereby cardholders of member libraries are, with few exceptions, permitted to borrow from other member libraries.

Designed to provide more library service and materials to residents in the northern part of the state, the NILS was organized in December, 1965.

Eighteen systems, funded by the state, are now in operation. The Antioch library will receive regularly scheduled visits by an NILS bookmobile having a capacity of 4,000 books. It will also be serviced weekly by a van for delivery and pickup of materials.

Mrs. Louise R. Vos is president of the Antioch board with Miss Betty Lu Williams serving as librarian.

Safety Commission Sets Annual Dinner

The Lake County Safety Commission will hold its annual dinner-meeting Monday, Jan. 8, at 7 p.m. in the Parkway Restaurant, Waukegan, it has been announced.

The commission also reported that it will soon screen applicants for the post of director for he organization on Jan. 4.

Waukegan-Lake Co. Realtors To Have Dinner At Lorenz's

The Waukegan-Lake County Board of Realtors will hold their 50th annual installation dinner and ladies night Saturday, Jan. 20, 1968, at Lorenz's Smart Country House Restaurant. Cocktails until 7:00, dinner at 7:00 p.m.

Tickets will cost \$10 each and reservations can be sent to Waukegan-Lake Co. Board of Realtors, c/o Wm. G. Schwandt, Secy-Treas., 612 N. Milwaukee Ave., Libertyville, Ill. 60048.

Antioch High Installs Own Gasoline Tank

The Antioch High School Board has been delving into the problem of trying to purchase gasoline more economically for the school buses.

A 4000 gallon gas tank has been installed by Jack Heick, who represents the Northern Service Gasoline Company of Antioch.

At the Wednesday, Dec. 20 board meeting, bids for the purchase of gasoline were opened and low bidder was Gaa Oil Company for the purchase of DX gasoline at

\$1.955 per gallon.

Reports were given at this meeting by the chairman of various committees, first of which was the Progress Report of John Blackman of the Board Salary Committee.

GRADE & HIGH SCHOOL COMMITTEE STUDIES MUTUAL PROBLEMS

Robert Denman, chairman of a committee appointed by Mr. Brook, school board president, reported on a joint meeting with a committee from the Antioch Grade School regarding closer cooperation in such matters as buses, curriculum and supply purchasing. The two committees conducted a study of transportation costs and these reports will be read at the January 9 meeting at the high school, and analyzed.

LANDSCAPING REPORT

Another report was given by Mrs. Helen Kopriva who is chairman of the Landscaping Committee. The landscaping job in front of the high school has been completed by the Antioch Landscaping Service at a cost of \$1015.00.

HEATING PROBLEM SOLVED

The high school has been running into heating problems with the old radiators in the 1915 building. They are gradually wearing out and trouble was experienced with one unit in the Home Economics Department recently. The board decided to have new heating coils installed and the old radiators removed. This job will be done during the holiday vacation by Carey Electric and Plumbing Co. of Antioch at a total cost of \$890.00.

FEDERAL MONEY FOR MATH AND SOCIAL STUDIES DEPTS.

The board authorized the filing of a claim under Title III of the National Defense Education Act. This is specifically in the area of math and social studies. The total claim that is being filed is for \$1006.59. The school will be reimbursed for 16% of the \$1006.59 and the money will be spent for equipment and supplies.

RUTH ESTERLINE RESIGNS

Mrs. Ruthann Esterline, girls' Physical Ed instructor, submitted a letter of resignation. Her husband, a Marine, is stationed at Great Lakes and is being mustered out so they will be moving to Ohio. Mr. Dittman is interviewing candidates to fill that vacancy.

TEACHERS ATTEND CONVENTION

The board authorized Mrs. Carol Mapletorpe and Mrs. Betty Scott to attend a convention in Chicago during the Christmas holidays given by the Council on Teaching of Foreign Languages.

Edward R. Holmberg, Jr.

Holmberg Elected New Lake County Heart Fund Chairman

Attorney Edward R. Holmberg, Jr., Waukegan, has been named Chairman of the 1968 Lake County Heart Fund. He will coordinate Lake County participation in the nation-wide Heart Month campaign next February.

Holmberg was City of Waukegan chairman for the 1967 Heart Fund campaign and Waukegan co-chairman in 1966.

As County Chairman, his first responsibility will be building and directing a team of 22 individual community chairmen, an industrial gifts division, and physician's division.

Lake County Heart Fund goal for 1968 is \$60,000. The fund supports research and public education to combat heart attack, stroke, heart defects in the newborn, and rheumatic fever. It invests heavily in the care and rehabilitation of cardiovascular disease victims.

Holmberg is a past president of the Waukegan Township High School Board of Education, the Victory Memorial Hospital Board, and the Waukegan Exchange Club. He is currently a director of Victory Memorial and the Waukegan YMCA and Chairman of the Zoning Committee, Lake County Bar Association.

He, his wife and their four children live at 225 Douglas Avenue, Waukegan.

Highway Carnage

Holidays—especially Christmas and New Years—are happy times.

But in more than 650 homes across the nation following the Christmas weekend this year, it is a sad time.

For in those households, highway traffic has snuffed out a life.

Illinois and Lake County fared no better than anyplace else, for we had our share of highway fatalities also.

The New Year's weekend is just around the corner.

We cannot bring back those whose lives were snuffed out through a moment of carelessness, a last one for the road, or a thoughtless action.

We can, however, do better on the weekend coming up.

Independent surveys have shown that alcohol has been a contributing factor in more than half of the fatal traffic accidents.

In 1966 some 52,500 persons were killed in highway accidents. That is four times the number of American servicemen killed in the Vietnam War since it began.

Another 4,400,000 persons were injured.

And the economic loss, beyond the human suffering, amounted to \$9.8 billion.

This weekend, with the revelry and the anxious look toward a new year, let us be thoughtful and courteous in our driving habits.

Yield the road rather than run the risk of becoming a statistic for the New Year.

Make the last drink for the road a cup of coffee.

Courthouse Notebook

By Lou Durkin

Each swing of the wreckor's ball into the hoary sides of the old courthouse chips away a little of the history of Lake County and brings a twinge of nostalgia even to those most ardent in their support of a new county building.

There is a feeling that some way should be found to retain a part of the old building for sentimental reasons, but of course this is nonsense.

Still the old building carries some memories of events and ghosts of people who contributed to the story of this area.

There are memories of an evenly-balanced County Board which took three days and 27 ballots to elect a chairman and then had to do it by lot.

There are memories of early morning press conferences during the "horse meat scandals" and parades of witnesses during the special grand jury investigation of gambling in Lake County in the late 1940's, an investigation prompted by circulation drives conducted by Chicago newspapers.

This investigation provided its moments of drama and comedy like the day one of the leading gaming figures tried to escape news photographers by covering his head with a garbage can lid thus providing a natural caption for an irrelevant cutline writer.

The same gambling clean-up produced the unlikely picture of a judge fining one of the defendants and accepting his already-drafted certified check for the fine and then leaning down for a friendly conversation about past hunting and fishing trips with the defendant's father.

There were the long, post-midnight vigils waiting for a jury to return its verdict, all-night sessions waiting for election returns, and early morning gin rummy games with the "sitters" keeping a place in line for candidates who wanted to be first on the ballot.

There are the ghosts of men and women who served

the county and its people and left their mark in the county's history.

The wreckor's ball is a symbol of progress, but it can also be a symbol of forgetfulness of the past.

The new courthouse will be a repository for memories for future generations, but for those who frequented the Victorian seat of county government now crumbling under the hammer it will never be really accepted.

Lake County may have a representative in the state office contests after all, although it is hard to classify William (Bon Bon Bill) Rentschler as a true son of the county.

Rentschler, who ran for the U. S. Senate in 1960 and has been itching to enter the political lists ever since, is reportedly readying an announcement of his candidacy for the Republican nomination for Lieutenant Governor.

The Chicago candy-maker would be opposing William Dwyer, a Chicago insurance man with a Winnetka residence, among others.

Dwyer, in his announcement, said he would favor "open housing" legislation, provided peace was assured by Negro leaders.

This is so obvious an attempt to carry quicksilver on both shoulders that he must forfeit all respect of the voters.

Dwyer may be a thoroughly capable candidate, based on his business success and other attainments, but his blatant appeal to the Negro voter tempered with an impossible reservation leaves him without appeal to any thinking voter.

Area legislators are finally coming out strongly in favor of the state locating its new college in the Lake County area, but their support isn't enough.

Chairman of the group that is making the site selection is James C. Worthy, long identified with Republican fundraising in Illinois.

It may smack of bribery, (Continued on page three)

Letters to the Editor

You tell us we teens are bad. I, as a teen, would like to challenge you. I feel we are just as good as you are—we have to be; we will soon be taking your place.

You put us down for our civil rights marches. Yet you don't think twice about cutting off our milk supply while you are marching for higher pay. Higher pay and equal rights—both deserving causes.

You dislike us because we are hippies—yet the minority that exist in this way-out world are no different from the beatniks of your generation. Or have you forgotten?

You say we are wrong-doers—trouble-makers. You read the front page spreads about gang fights, yet you don't bother to turn the pages to see the good we do—the honors we receive in fields of achievement, scholarship and service to our school, church, community and country.

We are the ones fighting for your freedom in Vietnam—just as you did in Korea and Europe. We are the ones going to school to become educated to make this a better world for our children, just as you did for us.

Do not judge all of us by the few who have gone astray. If you must judge us by a group, judge us by the groups that are doing something good—for I believe the dedicated are in the majority.

If you should ask us for a specific example of the good being done by this dedicated majority, I would cite the Blue Crutch activity of the March of Dimes. The Blue Crutch is the symbol of teens who are helping—Teens who are helping a quarter of a million children yearly and billions of children stricken with birth defects that cripple, with birth defects that deform—with birth defects that limit the ability of mind or body to function.

As chairman of this teen activity, I can honestly report that we have more teens engaged in the fight against birth defects than in the protest marches you so disparage.

Last year, in the Metropolitan area alone, we teens collected \$16,986.00 to support March of Dimes research, and to help expand the national network of nearly 100 Birth Defects Centers. Because we've helped, we can take pride in what the center specialists are doing to give birth defect victims the most normal lives available to them.

On Saturday, January 6, we will once again be asking people in shopping centers and at intersections to contribute to this cause, which we, as parents of the future, totally support. We want to make our children's world a little bit better.

Although this is but one example, I am sure that if you thought about it, you would find that we teens are not all bad. Give us your support—I think we deserve it.

Shirley Sireni
1968 March of Dimes
Chairman

Gays Mills, Wis.
Dec. 14, 1967

To the Editor:
One may presume now that Senator Percy has been "under enemy fire" in Viet Nam he will qualify as a real expert on the war when he returns to the safety of our mob infested streets.

He left his elected post here, where the excruciating domestic problem of lawlessness may approach guerrilla warfare by next summer (U. S. News and World Report, Dec. 18, 1967) to collect theories on how to manage Communists there.

It might serve the Senator's constituency and the nation better were he to devote his time, energy and part of the \$100,000 slush fund being collected for his Congressional expenses, to study the findings of the various Committees and Agencies who have probed for the causes of our violence and destruction. Then he might demand that those findings on various so-called "Civil Rights" leaders and so called "Peace Marchers"

ALONG THE WAY with Annie Mae

Well, another year has gone by and as everyone is saying, "Where'd the time go"? Ringing out the old and ringing in the new will, certainly bring out the party in everyone.

David & Eugene Nissen hosted a Christmas Eve party with their many friends in attendance.

Jim & Gail Fields also hosted a sit down dinner and cocktail hour for their friends last Saturday evening.

Lee & Fran Reeder, Indian Point, hosted a surprise party on Bob and Amy Hart, honoring their 30th wedding anniversary. Lou Belz baked the anniversary cake, part of which was concocted from the famous Linda Bird John-

be made public. There is a perceptible thread connecting Here and There.
Imagene Cashmore

son recipe. It was delicious and beautiful. Bob Hart and Fran Reeder discovered that they grew up in the same neighborhood, as kids, just two blocks apart, and had a big time "Do you remember who-ing?"

Mike Wojnowiak celebrated a birthday (forty some years) last Friday and friends and family popped in to blow out the candles. (Mike never did give exact information on the age being celebrated).

The Paul Morrisons of Indian Point had a busy holiday. Grandma Rose Keating celebrated her birthday on Dec. 20; Twins Paula and Jimmy had their birthdays on Christmas Eve; son Tom blew out his candles on Christmas Day, and Pop Morrison adds on another year on Dec. 29. (Bet the Morrisons won't want to eat cake for another month!)

The Walter Miller family

of Indian Point is getting ready for the wedding of son Wally to Dawn Jeray, both of Chicago, on January 27. Daughter Madelyn (Meg) a freshman at Antioch High School will be back in school after the holidays. Meg has been home sick for many weeks and we know her friends at school will be happy to see her again!

Did You hear... About Pat Lorenz's gift to her husband Ray? A one hundred and sixty-nine pound ping pong table!

And about Bob Wilton's train set?

Christmas Sparklers: Karen Philipps is sporting a new diamond on the third finger of her left hand, placed there by Bill Wilton.

Clem Haley did the same thing for his Christmas gift to Betty Amendola.

To one and all a very Prosperous and Happy New Year! ANNIE MAE

Ex-smokers become almost as safe as those who never smoked.

Your Congressman Reports....

By Cong. Robert McClory

Congressman Robert McClory (R-Lake Bluff) called attention today to the Fiscal Year 1968 appropriations for the U. S. Corps of Engineers.

Included in a nationwide appropriation of more than \$1 billion are the following items earmarked for projects of special interest to residents of the 12th Illinois Congressional District:

\$50,000.00—for the operation and maintenance of the Waukegan harbor. This facility is under the administration of the Waukegan Port District, a permanent non-departmental agency of the State of Illinois of which Mr. Joseph L. Rayniak is Chairman.

\$13,000 — for continuing the feasibility study of a small boat harbor at Highland Park. Mr. Lawrence J. Sassorossi serves as Chairman of the Highland Park

Harbor Commission, a local body seeking to develop this facility for the future use of this community.

\$5,000.00—for the investigation of flood control of the Fox River in Illinois and Wisconsin. This is a direct project of the U. S. Army Corps of Engineers. The District Engineer at Chicago is Colonel Edward E. Bennett.

\$4,775,000—for the control of polluted dredged spoil in the Great Lakes harbors. These harbors are located in Illinois, Indiana, Michigan, Minnesota, New York, Ohio, Pennsylvania, and Wisconsin. This also is a project of the Engineer Corps.

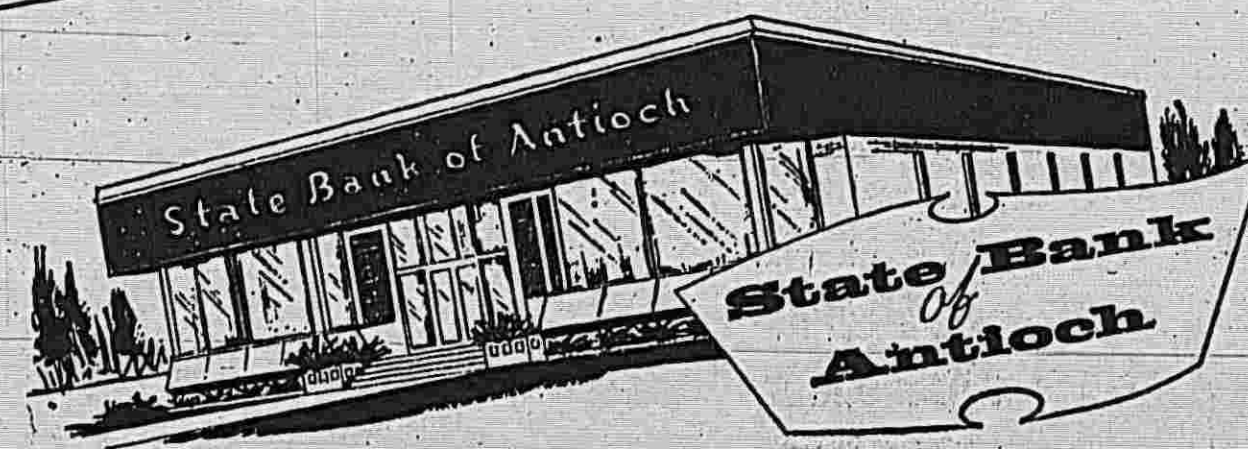

In reporting on the appropriations and their local significance, Congressman McClory stated: "This action by the Congress is consistent with a determination on the part of the American people to save our waters. I am heartened at this recognition by my colleagues of the need to protect and make maximum use of our natural water resources."

COURTHOUSE NOTEBOOK

(Continued from page two)

but some of the heavy GOP contributors from Lake County, and there are many of them, might be able to persuade Mr. Worthy that Lake County's contributions to the GOP and to the State of Illinois through taxes merit some consideration.

New Year's predictions are an occupational weakness of most columnists at this time of the year and the conductor of this space is no exception.

It's always helpful, of course, to have last year's predictions available in order to gloat to some extent on those that came true and explain away those that missed the mark, but it would take too much explaining and rationalizing in this case so the review will be skipped in favor of new guesses.

Since 1968 will be a major political year it seems reasonable to launch the crystal ball gazing with some political predictions, thus: Republican candidates will score a clean sweep in county elections in 1968.

No hedging, no escape clauses. A flat prediction of a GOP victory in Lake County in November.

But it's a long time until November and closer at hand is the announcement by former Gov. William G. Stratton that he will seek the Republican nomination for Governor in the June primary and much soul-searching by former allies who are already committed to Richard Ogilvie or John Henry Altorfer.

Stratton's announcement will bring considerable joy to Ogilvie, but some dismay to Altorfer who figures to lose much of his Downstate support to the former governor.

Despite some efforts on the part of Democratic leaders to replace him Secretary of State Paul Powell will be a candidate for re-election and the GOP will attempt to reach beyond the grave for support by running Donald Carpenter, son of the late Charles Carpenter, against him. Powell is vulnerable because of a series of eyebrow-raising emanating from his office, but it is unlikely that he is vulnerable enough for Carpenter the Younger.

Gov. Otto Kerner will defy the third term tradition by running for re-election and if the fur flies enough in the Republican primary he could be the one to break the tradition.

State Sen. Paul Simon, of Troy, emerges as the Democratic candidate opposing the re-election of Sen. Everett Dirksen and will be treated kindly by the Democratic organization for his bloody sacrifice.

Closer to home the Republicans will have another nominating convention, slate making conclave, or candidate review seminar depending on which term you prefer. This will arouse some fire in the breasts of county Republicans, but not until after the deed has been done. The issue won't be too important at the county level in any event because, with one probable exception, the present county office-holders will be back for re-election. The Central Committee, which would be pleased to relieve the electorate of the responsi-

bility of selecting the GOP standard-bearers, could run into considerably more difficulty if it decides to make recommendations for legislative or state offices, however.

There will be the usual last minute move to oust Robert J. Milton, of Lake Forest, as the chairman of the Lake County Republican Central Committee and there will be the usual search for a replacement ending in acceptance of the present chairman "for just one more term."

The Administration portion of the new courthouse complex will be completed and dedicated in 1968, but the same cannot be said for the rest of the building although work on the new jail building is proceeding with alacrity.

And the 1967 football season will come to an end, just before baseball takes over the sports pages and all those Cub fans and White Sox fans will suddenly discover that "next year" is NOW.

Dirksen Urges Every Student To Enter State Essay Contest

Sen. Everett M. Dirksen, R-Illinois, today urged that Illinois students enter the Sesquicentennial essay contest being sponsored by the Children's Press, Inc., of Chicago.

The contest offers more than \$2,000 in prize money and is being conducted in commemoration of the state's 150th anniversary and in conjunction with a new state history book "Illinois—Land of Lincoln."

Gov. Otto Kerner has proclaimed the year beginning Dec. 3, 1967 through Dec. 3, 1968 as Illinois Sesquicentennial Year and more than 1,500 celebrations and observances in recognition of the anniversary have been scheduled through Dec. 3, 1968.

That date marks the 150th anniversary of Illinois' admission into the Union as the 21st state in 1818.

The subject for the con-

State Overseas Sales Expand In '66: Kerner

The State of Illinois has earned the nation's "triple crown" for overseas sales during 1966, Gov. Otto Kerner reported.

The state reported exports of manufactured products totaling almost \$1.9 billion last year, the largest volume of exports in this category by any state.

Illinois, for the last several years, has been the nation's undisputed leader in the yearly volume of agricultural export, which reached \$660 million in 1966.

The state was also first in total exports, having been in a virtual tie for second in manufactured products sold abroad.

Last year, however, Illinois won first place in all three categories. "Today Illinois leads in the export of manufactured products as well as agricultural products with a combined total of \$2.5 billion," Kerner said.

New Investment Program For State Funds Pushed

A new program for investment of idle state funds has been announced by State Treasurer Adlai E. Stevenson III.

The program provides for using state funds for community services and involves a new form of public-private fiscal cooperation in financing low-income housing and small business loans.

The investment program, first of its kind in the nation, contemplates the use of state tax moneys, and other state funds not immediately needed for state obligations, in a comprehensive program of investment offering opportunities for greater community service to Illinois banks.

A total investment of \$577 million in state funds in 1968, including \$210 million which would be deposited in qualified state banks, is involved in the program.

Stevenson announced that earnings on the state deposits would be adversely affected by the new program, but would be increased.

Features of the new plan include:

1. Public-supported housing—\$100 million was earmarked as extra deposits for banks willing to furnish private financing for home construction under the National Housing Act.

2. Community services—\$100 million was earmarked for a flexible category which reflects the diversity and unpredictability of needs throughout the state. Examples are students' loans, extraordinary opportunities for commercial, industrial or agricultural development.

3. Disaster reserve—\$20 million were earmarked as a reserve for extra deposits for cooperating banks in disaster areas to help with reconstruction after a tornado, flood or fire, or to help banks extend credits to farmers after a drought.

4. Basic deposit program

The parents also must help understand the problems and help support the child and have patience with him.

The classroom teacher and deaf resource teacher have to work together. If the child is having problems in class, the teacher tells the resource teacher and he, in turn, works with the deaf child on these points.

The best place for a child to sit is in the rear of the

test is "If I were Governor of the State of Illinois" and, according to Dirksen, "It will offer a real opportunity for the youngsters to develop conclusions as to what each would do if he or she were sitting in the governor's chair."

All school children must do is write an essay in 150 words or less.

Essays will be judged on freshness of approach, reader interest, appropriateness of expression and organization.

The grand prize winner will receive \$1,000 and will spend one full day with Gov. Kerner in Springfield. Five other first place winners each will receive \$150; six second place winners each will receive \$50; and six third place winners each will receive \$25.

Grand prize and the five first place winners will be invited to attend the Illinois State Historical Society Sesquicentennial banquet in Chicago.

The contest closes Feb. 12, and essays and entry blanks must be mailed to Box C, Children's Press, Inc., 1224 W. Van Buren St., Chicago.

All schools have been supplied with entry blanks as well as banks, savings and loan associations, chambers of commerce and libraries.

Lake Co. Added To Food Stamp Program

Lake County has been designated to receive the Food Stamp program, Secretary of Agriculture Orville L. Freeman has announced.

The program enables eligible low-income families to increase their food purchasing power by investing their own money in food coupons worth more than they pay.

The food coupons are spent like cash at retail food outlets authorized under the program.

Lake County was one of an additional 172 counties in 10 midwestern states announced under the program which already serves 286 midwestern areas with over 635,000 persons receiving benefits.

—\$210 million was earmarked as a basic amount to be deposited at competitive rates in banks throughout the state.

The treasurer's program also set aside a maximum of \$97 million for non-bank investments, and \$50 million for demand and trust fund accounts to provide the state with operating funds.

"Our program is based on a single premise," Stevenson said. "The people's money should be used for the people's benefit. One way is to maximize the earnings on public funds, thus reducing

the need for tax revenues."

"But there are other benefits to be gained as well. Public funds can be used creatively to permit and stimulate private investment to serve our communities and neighborhoods, and where, without state assistance, private sources are inadequate to the task."

Stevenson pointed out his office was not seeking to determine "public needs for assistance under the program."

"Our public needs have been emphasized over and over and over again," he said. "We are only fulfilling

our constitutional and statutory duties and trying to assist public policies which promote good low and middle income housing, small business loans and opportunities for a good college education."

More than 850 Illinois banks have time deposits of state funds and pay interest to the state monthly.

A year ago, when Stevenson took over the treasurer's post, he made available to the public for the first time in the state's history the amount, location and interest rate on deposits.

room so he can see all that is going on.

The program also has to be flexible in management to the child's need in order for him to function.

Having a deaf child in a hearing classroom also educates the normal children and their parents. They begin to accept the child deaf child just like one of their own classmates. Also, the deaf child gets to use the language freely that he has been taught in deaf classes and pick up new language.

The Lake County Council on alcoholism has announced that James G. Curtis will fill the post of executive director of the council.

Curtis brings to the council a background of business and social work experience. He has been in settlement house work and in rehabilitation of the handicapped.

The past year he has worked with the alcoholic and the

problems of alcoholism as a social work counselor with the Men's Social Service Department of the Salvation Army.

Curtis believes that alcoholism is a disease which has its effects on the total community and has become a matter of community concern.

"Only the community, working together through its agencies can hope to reduce the enormous cost to our society of this ravaging, destructive disease," he said.

Curtis, who is married, moved recently from Chicago to Waukegan.

He completed four years of graduate studies at the Jane Addams School of Social Work, University of Illinois.

Lake County Extension Ad-

viser Ray T. Nicholas said that University of Illinois extension specialists will present the latest information on the subjects.

At the same time Nicholas announced that a supply of the 1968 Farmers Tax Guides have been received at his office.

Copies may be picked up at the office on the Lake County Fairgrounds or may be secured by requesting them by mail or telephone.

Honored guests were Grass Lake School Principal John Schockmels and his family and Mr. and Mrs. Matt Nolan and family. Mrs. Nolan is president of the Grass Lake School PTA.

In the opening ceremony the color guard was formed by Den 3. Scott Nohava was welcomed as a new Bob Cat to the pack.

Donald Hubbard and Richard Bailey are the two new Webelos members. Silver Arrow awards were presented to Jack Wojnowiak, Mike Vaughn and David Pitner. Registration cards were received by David and Roy Morrison and Recruiting badges were given to Jack Wojnowiak and Erich Belz.

The Scouts presented Christmas gifts to their parents which were made at den meetings. Their Christmas tree was decorated with ornaments they made with the help of their den mothers.

A transistor radio was won by Jim Okryszak; second prize a pink Christmas tree, was won by Sherry Wojnowiak, and third prize (fresh flowers) were won by Randy Vaughn.

The party came to a close with everyone singing Christmas carols.

Lake & McHenry Ass'n For Deaf Children Meet

Meeting of the Deaf Children of Lake and McHenry Counties Association of Parents and friends was held recently at the Hainesville School.

The president, Mr. A. N. Zingrone opened the meeting. The secretary, Mrs. Paul Sebenik, read the minutes and the treasurer, Mr. J. McDermott, gave his report.

The speakers for the evening were Mr. Robert Van Dyke and Mr. Billy Greer who are resource teachers for the deaf. They discussed the integration of the deaf children in a regular classroom of normal hearing children and what the role of the resource teacher is.

Some of the points brought out were: A child with a 60 to 70 decibel loss should be in a special program for the deaf before being integrated. They should be in this special program for ages 3, 4, 5 and 6. If they have had no pre-schooling then they should be about eight or nine years old before being put in a normal classroom.

A child has to have fairly good speech, lip reading ability, and be able to communicate. They have to have a good personality makeup and be able to overcome rejection from other normal hearing children.

The parents also must help understand the problems and help support the child and have patience with him.

The classroom teacher and deaf resource teacher have to work together. If the child is having problems in class, the teacher tells the resource teacher and he, in turn, works with the deaf child on these points.

The best place for a child to sit is in the rear of the

test is "If I were Governor of the State of Illinois" and, according to Dirksen, "It will offer a real opportunity for the youngsters to develop conclusions as to what each would do if he or she were sitting in the governor's chair."

State Bar Group Distributes Book On Rights

The Illinois State Bar Association has announced publication of a booklet entitled "Your Bill of Rights" which discusses the 23 provisions contained in the first 10 amendments to the U. S. Constitution.

The booklet, which contains 112 pages, has already been distributed to public and private high schools and colleges throughout the state.

It was written by lawyer members of the American Citizenship Committee and the Bill of Rights Committee of the ISBA.

The purpose of the booklet is to encourage educators to teach the significance

of the Bill of Rights to students and to encourage lawyers to give talks on the subject before student and adult audiences.

Copies of the booklet may be obtained by writing the ISBA office in Springfield.

Thomas Blackman Weds Lynda Repke

Wedding bells rang on Thanksgiving Day for Morton Grove's Lynda Repke and Thomas B. Blackman of Antioch. The 1 p.m. ceremony took place in the Community Church of Morton Grove. November 23 with the Rev. Conway Ramsey officiating. The maid-of-honor was Miss Sharon Enlow of Galesburg, Illinois and Donald Blackman of Antioch, brother of the groom was best man.

Lynda is the daughter of Mr. and Mrs. Robert Repke, 8835 Mason, Morton Grove, and the groom's parents are John Blackmans of 313 Park Avenue, Antioch. The bride wore a white ottoman dress and carried a bouquet of cream colored Fuji mums, with a center of white gladioli that were removed to make a going-away corsage. An intimate family dinner followed the ceremony at the home of the bride's parents.

The new Mr. and Mrs. Blackman were especially thrilled to have all four of their grandmothers and two of their grandfathers attending the festivities. They include the bride's grandparents, Mr. and Mrs. Arthur F. Repke, of 6416 Palma Lane-Morton Grove, and Mrs. Marie Hook of Rock Lake, Wis., and the groom's grandparents, Mr. and Mrs. Arthur Laursen of Antioch and Mrs. Nellie Hepburn of Ringwood.

The couple honeymooned at The Abbey in Fontana, Wisconsin and will make their home at 1124 W. Walnut in Jacksonville, Illinois, where Mr. Blackman attends Illinois College. Lynda, who is a 1966 graduate of Niles West, and Chicago Career Academy, has been pursuing a career as a dental assistant to Doctors Samuel Pruzansky and Dr. Howard Aduiss, in the Old Orchard Medical Building.

Earl Brumbaugh Showered By His Eighth Graders

"Here Comes the Groom" was the theme of the 8th grade party at Grass Lake School as the students entertained their teacher, Mr. Earl Brumbaugh, with a surprise party and shower.

Mr. Brumbaugh, of Waukegan, will marry Miss Judy Tarr, also of Waukegan, on December 30, at Immaculate Conception Church, E. Grand Ave., Waukegan.

A mock hill billy wedding was staged by the 8th graders. Brian Zale, that athletic baseball player, was the gorgeous bride. He was attired in a red, white and blue sleeveless print cotton dress—with a long trailing curtain veil. He wore a strawberry blonde wig, and along with the rest of the wedding party, made it down the aisle barefooted, with his bouquet of plastic ferns, with pickles, carrots, doughnuts and potato-chips.

Linda Kanka played the part of the red haired groom.

Where The Boys Are

VIETNAM, Dec. 15—Marine Lance Corporal James R. Hafferkamp, son of Mrs. Harold C. Brunson of Rte. 1, Bristol, Wis., is in Vietnam serving with the Third Battalion, 11th Marine Regiment, a unit of the First Marine Division.

The mission of the battalion, based near Da Nang, is to provide artillery fire support to First Marine Division infantry units engaged in combat operations.

The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials for the projects are made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the know-how and guide the Vietnamese people in carrying out these projects.

TACOMA, Wash. —Airman 1st Class Terrence R. Lentz, son of Mr. and Mrs. Fred C. Lentz, Sr., of Rt. 1, Salem, Wis., is a member of the Air Defense Command (ADC) wing that recently completed the first long-range flight to include firings at radio-controlled drone targets and aerial refueling on the same mission.

The airman is an air operations specialist with the wing's 318th Fighter Interceptor Squadron. Airman Lentz was graduated from Central High School, Paddock Lake, Wis. His wife, Joella, is the daughter of Mr. and Mrs. Elmo Wilson of Rt. 1, Washington Court House, Ohio.

Beach Grove News

By Del Jahneke

Mr. and Mrs. Robert Chozom, Beach Grove, entertained Mr. and Mrs. William Beabor of Suring, Wis., recently, in their home. The Beabors were enroute to Punta Gorda, Fla., where they will spend the winter months.

Mr. Victor J. Klein, Beach Grove, will be retiring from the Illinois Bell Telephone Company, on January 1st. Mr. Klein has been employed by the phone company for 42 years. Several parties in his honor have already been given by his office. Mr. Klein will also be honored at a company party, Thursday evening.

The William Hansen family of Beach Grove held a family Christmas eve party at their home, with Mrs. L. V. Sittler, Antioch, and the Robert Irish family of Wadsworth in attendance. On Christmas Day, the Hansens were at their daughter's home in Rockford, the Robert Terrys, formerly of Antioch.

Legion Auxiliary

By Del Jahneke

On December 16, the American Legion Auxiliary joined with the American Legion of Illinois in distributing Christmas Gifts for hospitalized war veterans at all Veterans' Administration and state hospitals. Here in Lake County, gifts were given by the 10th District American Legion and Auxiliary to the patients at both Downey Hospital and the Great Lakes Naval Hospital.

The Auxiliary sponsored Christmas parties and dances were held on December 20, 21 and 22 at Downey Hospital.

The Auxiliary sponsored Christmas parties and dances were held on December 20, 21 and 22 at Downey Hospital.

Wetherbees Are Parents of Daughter

Mr. and Mrs. Glenn Wetherbee of Antioch are the parents of a daughter, "Carrie Lynn" born Dec. 19, at Victory Memorial Hospital, Waukegan. Carrie Lynn is the sister of Stacy, David and Jeffrey. The maternal grandparents are Mr. and Mrs. Howard Rodney of Trevor, Wis., and the paternal grandparents are Mr. and Mrs. Max Wetherbee of Antioch.

MOOSE TOPICS

By Lillian Birdsell

Charles Seelhoff, chairman of the Children's Christmas party which was held at the Antioch Moose Home Sunday afternoon, Dec. 17, had a very entertaining program set for the children. Games were played and cartoon movies were shown and even though there were over 100 children in attendance, their behavior was remarkable. It wasn't until the time that Santa Claus (Daryl Carroll) appeared on the scene that any one was aware that there was a Children's Christmas party in progress. The excitement increased and of course Santa Claus was a very busy man for the rest of the afternoon. While child after child visited with Santa and told of the things they wanted for Christmas, he gave them each a stocking filled with goodies. The afternoon ended with a very rewarding feeling of contentment when all the children went home happy.

There were 33 in attendance at the Legionnaires' Christmas potluck dinner held at the Antioch Moose Home on Saturday evening, December 16. A Christmas gift exchange was held after the dinner and each member present donated \$1 to the Legion fund. No business was transacted but will be taken up at the next regular scheduled meeting in January. Many of the members remained for the dancing that followed.

Mr. and Mrs. Daryl Carroll and Mr. and Mrs. John Hartman were the two couples present, celebrating their anniversaries. Music for dancing was supplied by the Chandeliers and all the members joined in on the celebration.

With the Christmas Season upon us, I would like to take this opportunity to say Thank You to Harold Gaston, publisher of The Antioch News and to the members of his staff for the printing of

"Where Was Santa" Tremendous Hit At Grass Lake School

Grass Lake school children put on a Christmas Special for their parents that was regarded as the best and finest performance ever given at the school.

"Where Was Santa," a children's operetta, was presented under the direction of Mrs. C. Anderson on Dec. 20. Special scenery depicting the North Pole with icebergs and a polar bear (Erich Belz) sitting and eating an ice cream cone, were all part of the spectacular.

Wixwax (Christine Miller), the witch, with the help of the Bugaboos (2nd graders) and the Crooked Man (Kenneth Bloom) captured Santa (Tim Troyer) and his toy makers and dumped Santa Claus in the snow bank.

Polo (Charlie Miller) rescued Santa and his toy makers. As the story unfolds, Wixwax turns out to be a beautiful princess, and the Crooked Man turned out to be the handsome prince. The bugaboos became normal earth children and everyone had a Merry Christmas.

Watch Night Service New Year's Eve At Antioch Free Church

Antioch Evangelical Free Church on Tiffany Road, Antioch, will have a special Watch Night Service at 9 p.m. until after midnight on Sunday, Dec. 31 (New Year's Eve).

A film, "God of Creation", will be shown as part of the watch night service. Refreshments will be served and everyone is welcome.

The only trouble with daylight saving time is that the worm doesn't get sleepy enough to go to sleep early enough to get up early enough to get caught by that early bird that did get enough sleep.

my column each week and to wish you all the very best of Joy and Happiness for the coming holiday season.

Ed Gordon Engaged To Margaret Halsma

Mr. and Mrs. Gilbert Halsma of Salem, Wisconsin, announce the engagement of their daughter, Margaret Ann to Private Edward D. Gordon, of Bristol, Wisconsin.

Private Gordon will be sent to Viet Nam on Jan. 13. No date has been set for the wedding.

CHRISTIAN SCIENCE CHURCHES

"Christian Science" is the subject of this Sunday's Lesson-Sermon in all Christian Science churches throughout the world.

"Rejoice ye with Jerusalem, and be glad with her, all ye that love her: . . . For thus saith the Lord, Behold, I will extend peace to her like a river, and the glory of the Gentiles like a flowing stream" is the Golden Text from Isaiah.

All of us have, at one time or another, violated a man-

made traffic law without being arrested or punished. The laws of nature, as they apply to driving, are another story. Remember, you can never violate these laws and avoid the consequences.

King Terry And Queen Cheryl Reign At H. S. Xmas Formal

"An Old Fashioned Christmas," the Antioch Community High School's Senior Class Christmas formal last Friday was a huge success and a delightful occasion for the many who attended.

The seniors worked magic this year, transforming the cafeteria into a large cozy home, complete with Christmas tree, a winding stairway and a heart-warming fireplace. Santa Claus popped in on the gathering, too... and danced with the pretty girls.

The highlight of the evening took place at 10:30 with the coronation of Terry Nickerson as King and Cheryl Cunningham as Queen of the Christmas formal. The King and Queen's Court included Denise Prather, Kathy Kelly, Mary Panko, Janet Dirksen, Dan Haley, Joel P. Strahan, Mike Wells and Dan Smith.

The new King and Queen were crowned by last year's royalty, Chuck Bista and Debbie Ryzko. The two pages were David Dyer and Patty Smith.

Music for the occasion was furnished by Charles Brinkley and his orchestra.

State's Mental Health Dept. Selects Sandry

Martin Sandry has been named director of data services for the north zone of Illinois Department of Mental Health, Dr. Arthur A. Woloshin, zone director, announced.

"The appointment marks the beginning of an effort to clearly assess the mental health needs of the North-eastern Illinois region which includes all of Lake and McHenry Counties, as well as northern Cook and Kane Counties," Dr. Woloshin said.

Sandry, 30, of Niles, will develop and collect statistical information to be used in planning and program development for mental health services.

Sandry is presently conducting a patient inventory study which will produce profile information about patients, who they are, where they come from and what their problems are.

Previously such comprehensive information about patients entering state hospitals was not readily available.

Sandry, after completion of his first project, will then begin a discharge study to determine what becomes of patients once they leave inpatient and outpatient programs at mental hospitals

DEATH NOTICES

MINNIE C. SEEKAMP

Minnie Catherine Seekamp, nee Gode, wife of Herman Seekamp, a resident of Channel Lake for several years, passed away Dec. 8, at Evanston Hospital.

Funeral services were held Dec. 12 from Skaja Funeral Home at Niles, Illinois, with interment at Memorial Park Cemetery, Evanston.

Mrs. Seekamp was the mother of Norma (Willard) Bickford, and the grandmother of Kathryn, Kim and Kent. She was an aunt of Heinz and Egon Bergmann.

HARRY J. SCHWARTZ

Funeral services were held Sunday at the Hedrick Methodist Church, Hedrick, Iowa, for Harry J. Schwartz, 62, of Lake Villa.

Mr. Schwartz, who died Dec. 22 in Victory Memorial Hospital as a result of injuries received in an automobile accident, was a native of Hedrick and had lived in the Lake Villa-Antioch area since 1953.

He was a member of the Antioch Methodist Church and of Masonic Lodge No. 269, Ottumwa, Iowa, and the Order of the Eastern Star Chapter No. 485 at Hedrick. He was employed as a painter at the Great Lakes Naval Training Center.

His survivors include his widow, Irene, three children, Mrs. Dean (JoAnne) Brain of Hedrick, Sgt. Henry W., and Dean, R., both of Lake Villa, four grandchildren, and three sisters, Mrs. John Proctor, and Mrs. Max McDowell, both of Ottumwa, and Mrs. Mavern Klieker of Eldon, Iowa, and three brothers, Edward and Earl of Hedrick, and Louie of Fremont, Iowa.

Burial was in Brooks Cemetery at Hedrick.

Local arrangements were made by Strang Funeral Home, Antioch.

George C. Eckert Of Indian Point Died December 21

George C. Eckert, 77, of Rt. 1, Indian Point, Antioch, passed away Thursday, December 21, at his home after a lingering illness.

Born January 28, 1890 in Chicago, he resided at Indian Point for the past 10 years. He was a member of St. Peter's Church.

Mr. Eckert was credit manager for the Boston Store in Chicago for many years and was employed by the Chicago Municipal TB Sanitarium for five years.

His last employment was with the Chicago State Hospital and he retired from this job at the age of 65.

Mr. Eckert was president of the Indian Point Improvement Association and was actively interested in his community.

Survivors include his wife, Angeline M., one son, Harry, (Mary) of Chicago, one daughter, Louise (Edwin) Jankowiak of Lake Villa, two grandchildren, Janice (Jankowiak) Sykora of Chicago and James Jankowiak who is in San Francisco waiting induction into the armed forces, and one sister-in-law, Bessie (Joseph) Spychal of Indian Point.

The funeral was held Saturday from Colonial Funeral Home to St. Peter's Church, mass being celebrated at 12 noon.

Interment was at St. Joseph's Cemetery, in River Grove. Parish prayers were recited Friday at 7:30 p.m.

Edward Matejka Goes To Germany

Edward Matejka of Rt. 3, Antioch, is one of 30 Carroll College students who left Waukesha on Dec. 27 for a trip to Frankfurt, Germany, where they will begin their tour of Germany, Poland, the U.S.S.R., Czechoslovakia and Austria. It will be a 30 day guided tour until January 25, and the remaining time will be for free travel.

The students are being accompanied by Dr. Don Ziegler, chairman of the history department and Willis Guthrie, chairman of the art department. They will return on February 3.

Matejka is the son of Mr. and Mrs. John Matejka of Channel Lake.

Local Men Awarded 25 Yr. Gold Watches

Albin J. Kaskie, of Rte. 3, Antioch and Edward J. Zubeck of Rt. 1, Lake Villa, were honored recently at an evening awards banquet in Willow Springs, Illinois, by Electro-Motive Division General Motors Corporation, La Grange, Illinois.

25 year gold watches were presented by B. B. Brownell, vice president and general manager of Electro Motive. Each watch was engraved on the back denoting the occasion of the award.

Lake County Buys \$850,095 Worth of Government Bonds

Lake County ranked second in the purchase of Series E and H United States savings bonds and Freedom Shares in October.

Cook County was number one with \$18,619,414 and Lake County was second with \$850,095. Purchases in the state of Illinois were \$28,954,768 and the national sales were \$404,000,000.

and her teeth are discolored. Can they be cleaned at this age?

A—Your daughter is now at the age when her teeth should be examined by a dentist. Her teeth can be cleaned and you can be advised on the future care of her teeth.

Q—My daughter will be three years old in August

Q—I am 16 years old and going to be a junior in high school. I would like to become a Dental Assistant. Must I take a chemistry course in high school? Also must I attend the standard university for four years? Are there trade schools in Chicago which specialize in such training? What are the requirements for the job?

A—Courses for Dental Assistants are given at the University of Illinois College of Dentistry, Loyola's Chicago College of Dentistry, Northwestern University Dental School and junior colleges. Please contact these schools for complete information.

Q—My daughter will be three years old in August

Q—My son, age 20, has been grinding his teeth for years and I am at a loss as to how to get him to stop this annoying habit. He is away at college now and every room-mate he has ever had complains that he keeps them awake with this grinding of teeth. If you can recommend any cure for this I would be truly grateful.

A—Grinding of teeth at night (bruxism) is injurious to the teeth and their supporting tissues. Your dentist can recommend a soft rubber guard to wear over the teeth at night and also prescribe a tranquilizer. A major cause of grinding of teeth is mental tension. The ultimate cure is dependent upon the psychic control.

Q—I am a 55 year old woman. I had the nerve taken out of a tooth about 25 years ago and it has now turned quite black. Is it possible to get this tooth back to a reasonable light color or what?

A—It is possible to bleach some teeth but it requires special equipment. The alternative is to have the tooth covered with a porcelain-jacket crown of the same shade of the adjoining teeth. You'd best consult your dentist at your first opportunity.

Q—I am 16 years old and going to be a junior in high school. I would like to become a Dental Assistant. Must I take a chemistry course in high school? Also must I attend the standard university for four years? Are there trade schools in Chicago which specialize in such training? What are the requirements for the job?

A—Courses for Dental Assistants are given at the University of Illinois College of Dentistry, Loyola's Chicago College of Dentistry, Northwestern University Dental School and junior colleges. Please contact these schools for complete information.

Documentary Drama On State History Set

A documentary drama recreating in song and story the figures and events of Illinois' 150 years of statehood, and the official play of the Illinois Sesquicentennial Commission, will make its debut in a five-day presentation in Chicago's Museum of Science and Industry.

Presentation of the play "Make Her Wilderness Like Eden" will begin today and run through New Year's Day.

Public performances are scheduled daily at 2 p.m. with additional matinees at 11 a.m. on Dec. 30, 31 and Jan. 1.

Admission is free and seating will be on a first-come, first served basis.

38-Cent Dividend Declared By N.I. Gas

Marvin Chandler, chairman and president of Northern Illinois Gas Co., today announced the company's board has declared a dividend of 38 cents a share on common stock.

The dividend is payable Feb. 1, 1968 to stockholders of record Dec. 26. The dividend continues the \$1.52 annual rate established with the May 1, 1967 payment.

The directors also declared the regular dividends of \$1.25 a share on the company's 5 per cent preferred and 5 per cent convertible preferred stocks; of \$1.15 on its 4.60 per cent convertible preferred stock; and of \$1.12 on its

4.48 per cent preferred stock, also payable Feb. 1, 1968 to stockholders of record Dec. 26.

Schools are including safe walking practices in their instructions to young pupils. They will have much more success after the parents have given their pre-school children training in the rules of safe walking in traffic.

Nearly 30 per cent of the pedestrian deaths in Illinois during 1966 were children under 15 years of age. This grim fact points up the need for better safety instruction of young children by both parents and teachers. As the twig is bent, the tree will grow.

Alcohol Responsible In Many Traffic Deaths

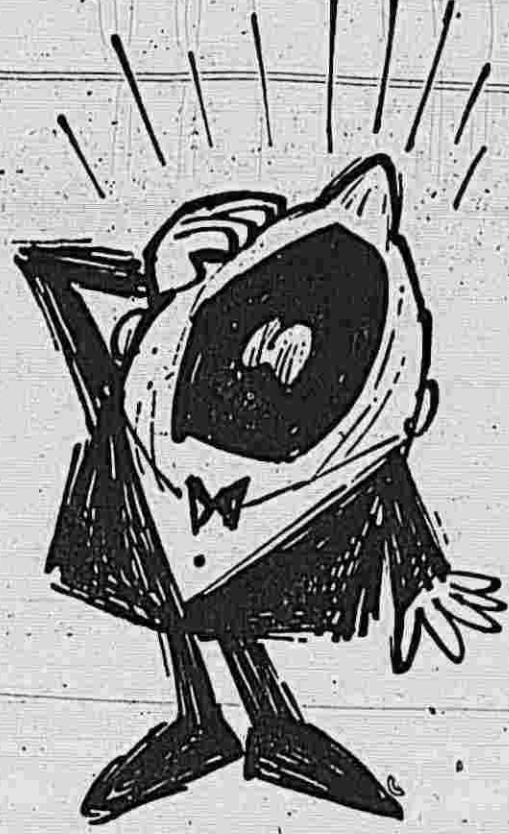

Independent surveys have disclosed that alcohol has been found to be a contributing factor in more than half of the fatal traffic accidents.

According to a spokesman for the Travelers Insurance Companies, the alcohol connection was established through post-mortem studies of persons killed in traffic accidents.

An annual report shows that 52,500 persons were killed in highway accidents during 1966, an 8 per cent in-

crease over 1965. Additionally, 4,400,000 persons were injured and the loss for the year is estimated at \$9.8 billion.

The Travelers report also showed that in 1966 more than 286,000 pedestrians became casualties—40 per cent of the total deaths occurred on weekends—four out of five personal injury accidents occurred in clear weather on dry roads—and almost 32 per cent of the drivers involved in fatal accidents were under 25 years of age.

Antioch Wrestlers In Tournament At Grant

Antioch Community High School's wrestling team, under the direction of Coach Andrew Hauptman will participate in the 8 team tournament at Grant High School tonight (Thursday), Dec. 28, and Friday, Dec. 29. Preliminaries will be held at 6:30 p.m. on Thursday, and the semi-finals will be on Friday at 7 p.m. with the Finals following that same evening.

Antioch High School wrestlers who will take part in this tournament are:

Weight Class Name
 95 lbs.—Charles Biemer
 103 lbs.—Wilford Wells
 112 lbs.—Dennis Pleviak
 120 lbs.—Gary Aerie
 127 lbs.—Paul Lulifis
 133 lbs.—Bob Diemer
 138 lbs.—Terry Triplett
 145 lbs.—Bob Weeks
 154 lbs.—Donald Gaa
 165 lbs.—Mike Wells
 180 lbs.—Bill Revell

In the heavyweight class, either Charles Hollocker or Bill Dowd will be Antioch's entry.

Coach Hauptman remarked, "Our team is still young, but by the time the wrestling season is over, we will have a strong team. This is the first Christmas tournament we have entered in three years and this is definitely going to help the boys with experience and competition."

Coach Hauptman added "Competition with wrestling schools such as Deerfield, North Chicago and Elk Grove gives you an idea of what the

boys are capable of doing. These schools are the ones they have to beat in order to represent Antioch downtown."

"At the present time the season record for Antioch is 4 wins and 1 loss. We have two boys who are undefeated; at 103 lbs. Wilford Wells, and at 180 lbs. Bill Revell."

Coach Hauptman hopes that the Antioch fans will follow the wrestling team to the tournament at Grant.

Many Prizes For Derby Day Jan. 7

By Harry H. Stern

The Northern Illinois Conservation Club's 7th annual Ice Fishing Derby, scheduled for January 7th, on Loon Lake, is gaining momentum like an avalanche going down a steep snow-covered mountainside, as Derby Day draws nearer.

Prizes are pouring in to derby headquarters from all points of the compass, and with those already allocated for the Ice Queen, have almost reached the \$3 thousand mark, making this year's edition the most valuable for the participants.

The NICC will revive a novel prize give-away, which was inaugurated several years ago—free ice fishing lures for fishermen who fail to catch a fish. Marathon Bait Co., Wausau, Wis., donated 150 of these lures for just this purpose. Fishermen will win prizes for catching fish, and for not catching fish.

A distinguished panel of judges has been named to choose the Ice Queen and her court of two girls. Heading the group is former Governor William G. Stratton, and includes F. Ward Just, Waukegan News-Sun publisher, and Mrs. Paul Serdar, Wadsworth.

Some question was raised in regard to the Mink Capelet and the 2 mink-collared cashmere sweaters which will be worn by the Queen and members of her court. Will they just be worn, or are they permanent gifts? In an inter-

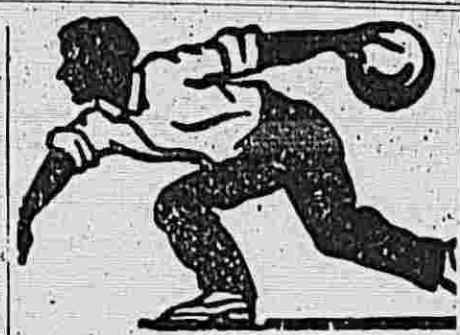

view with Paul Serdar, head of Harriet Imperial Furs, Wadsworth, he stated emphatically that "these lovely furs will be a gift to the three girls, to keep and cherish forever."

As a matter of fact, said Serdar, the fishing participants should have a whack at a mink prize, too, and he promptly came up with a beautiful Emba Autumn Haze "one-of-a-kind" mink. Jacqueline with a \$795 price tag, as a special Grand Prize to head the already "heavy" list which includes a Color TV, Remington Trap Grade Shotgun; Winchester Centennial Model 94 Deer Rifle; Oneida Stainless Flatware Set; plus others, making the whole list reach the highest dollar value in derby history.

Prize chairman Milton Brozik today announced the names of fishes eligible to win prizes, and includes a newcomer to the NICC list, the northern pike. Loon Lake contains an extensive colony of these voracious scappers.

Bass, bluegill, crappie, and perch complete the cast of characters. Locale of the derby, and gateway to the Loon Lake ice is at Joe & Helen's Little Acres on Loon Lake Road, just east of Rte. 83, about 2 miles south of Antioch.

Participants may park their cars here, free of any charge.

New Ill. Grant For College Students

A new Illinois Grant Program, legislated by the 75th General Assembly is providing additional undergraduate students with financial assistance for attendance at approved private and public colleges in Illinois. College students in good academic standing now may receive help with their college expenses without the need to demonstrate high test scores or outstanding grade records. For the current 1967-68 academic year, this new program is providing 6,465 students with \$4,350,000 in non-repayable grants at 95 colleges in Illinois.

Approximately \$10,000,000 is available through the Grant Program for the 1968-69 academic year. Students wanting to apply for a grant for the fall of 1968 must submit an application prior to February 1, 1968. These forms may be obtained from any Illinois high school or college, or by writing to the Illinois State Scholarship Commission, Box A, Deerfield, Illinois 60015.

The maximum grant, to cover tuition and fees, will be \$1,100 in 1968-69. To qualify for assistance, a student must be a resident of Illinois and a citizen of the United States. He must show financial need, be in good academic standing, and be enrolled as a full-time undergraduate student at an approved school in Illinois.

This new program is in addition to the Commission's regular scholarship program, in which students compete academically by taking an examination during their junior year in high school.

Dr. Joseph D. Boyd, Executive Director of the Commission, reports that the 1967-68 programs will assist 15,800 students with scholarships and grants totaling \$10,425,000. Funds have been allocated for the 1968-69 academic year to assist approximately 26,000 students.

Disabled Vets Get Increase In Counseling

William J. Driver, Administrator of Veterans Affairs for the Veterans Administration, today reported an intensification of bedside counseling service for disabled service personnel in military hospitals.

Driver said an 80 per cent increase was made in the number of hospitalized servicemen counsel in October compared with the monthly average in the previous 11 months.

Applications for the VA's vocational rehabilitation program increased nearly 85 per cent.

In October 4,435 servicemen were counseled and 1,433 applications for vocational rehabilitation received. The monthly averages for the previous 11 months were 2,462 servicemen counseled and 783 applications processed.

Additionally, 1,733 applications for VA disability compensation were filed in military hospital during October, nearly seven times the monthly average in the previous 11 months.

In the first year of the VA program of counseling disabled servicemen in military hospitals, Driver said, 31,522 hospitalized military personnel were interviewed, 10,043 applications for VA vocational rehabilitation were received, and 4,694 claims for disability compensation were filed.

New Name For Bong Base Park

"Brighton-Oaks" is the new name of the 360 acre county park and golf course at the Bong base recreation area.

The name was selected in a contest open to all county residents and was accepted by the Kenosha County park commission recently.

Rita Seidenmann, Kenosha, submitted the winning name and received a \$25 U. S. savings bond.

Stock Car Drivers Meet At Lake Villa

A meeting of area modified stock car drivers and owners has been scheduled for 8 p.m., January 9, at the V.F.W. hall in Lake Villa. This meeting has been organized by several local race drivers and stock car owners with the intent of forming an association which would establish rules and regulations to help improve auto racing in the area.

Over 50 owners and drivers who compete during the summer racing season at Waukegan, Lake Geneva or Kenosha County Speedways have shown an interest in such an organization.

Air Force Drive In Final Lap

The Air Force Reserve recruiting drive called "Operation Centurion 68" is in its final phase.

Three new medical reserve squadrons will be activated at O'Hare Air Force Base on January 1.

The medical reserve squadrons will be under the Alaskan Air Command and plans are currently being made to serve two weeks summer training in Alaska.

There are openings for nurses, prior service physicians and airmen with medical specialties.

An Air Force Reserve commission is available for non-prior service or civilian nurses.

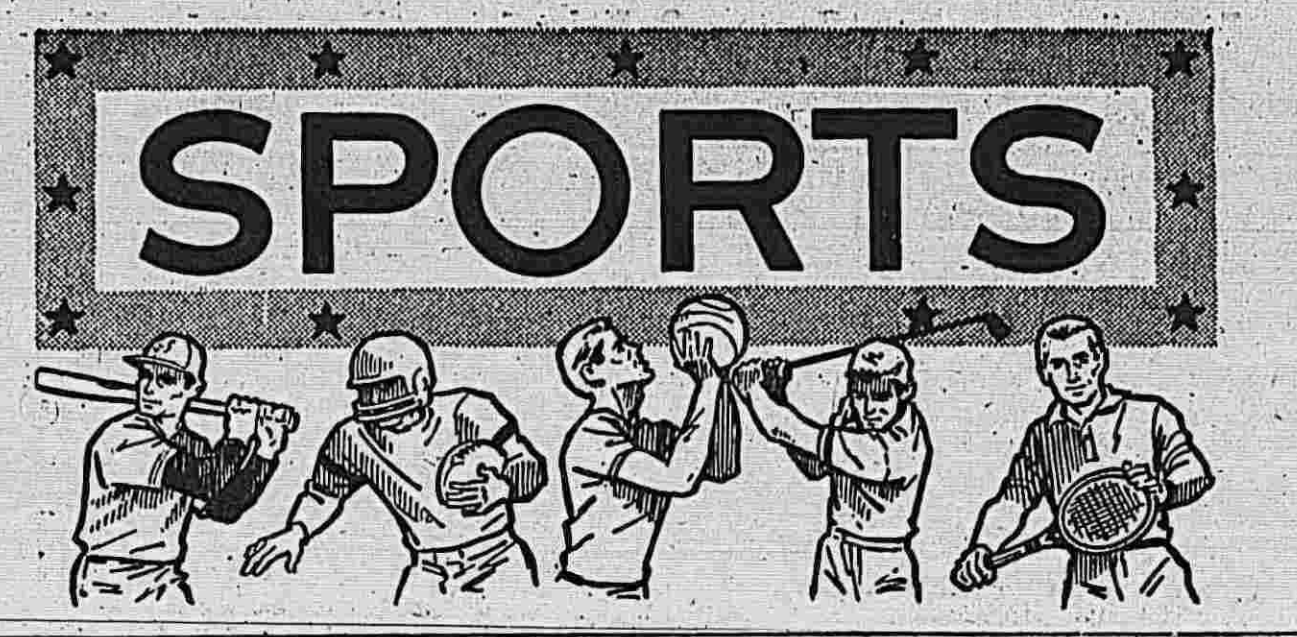

Further details can be obtained by calling Captain King any day from 8 a.m. to 4 p.m. at Chicago-O'Hare International Airport.

Motorists Urged To Use Auto Safety Devices

State Safety Director Ross V. Randolph today issued a plea to motorists to use seat belts during the coming holiday season.

Randolph pointed out that the odds of being killed or seriously injured in an auto accident climb for those who neglect to use the safety devices.

He said defensive driving is the only way to avoid accidents and suggested there would be more safety on the highways if every driver realized that the other motorist might not be so considerate.

THURS., DECEMBER 28, 1967 THE ANTIOCH NEWS 6

Earl Beese Directs Unusual Carpentry Project At R.L. High

An unusual project has been developed for the Carpentry Class of Round Lake Community High School under the able direction of Mr. Earl Beese of Rt. 1, Antioch.

The class is building a 16 x 20 ft. garage on the school grounds, and it will be used for school purposes. Eleven boys in the class are working on the project, under the direction of their teacher, Mr. Beese. At present they are starting to put the roof on the building.

This introductory carpentry course is vocational in content, but not intended as a substitute for an apprenticeship program. The aim is to familiarize the student with the various basic materials, methods and tools in

Milwaukee Road Sets Ski Trips For Winter Fun

Again during the upcoming ski season, the Milwaukee Road is offering specially priced skiing trips for either weekend excursions to nearby Wisconsin resorts or week-long vacations in Idaho or Colorado.

The wide variety of resorts, package plans and skiing facilities being offered ensures enjoyable trips for both experienced and beginning skiers, and for individual skiers and groups.

The line is offering a choice of several Wisconsin resorts, Del View Hotel at Wisconsin Dells, Cascade Mountain at Portage, Mt. LaCrosse at LaCrosse, Rib Mountain at Wausau, and the Abbey at Lake Geneva.

Longer trips are available to Sun Valley, Idaho, and Winter Park and Geneva Basin in Colorado.

Full information is available from travel agents or Milwaukee Road ticket agents.

Veteran's Craft Exchange Open To The Public

The Illinois American Legion Auxiliary has maintained a Veteran's Craft Exchange, at 30 West Washington Street, Chicago, for many years. This is the only shop of its kind in the United States. Disabled veterans who are able to make items such as rugs, jewelry, leather goods, wool crafts and novelty gifts, send them to the exchange under a registered number. When Auxiliary members sell these articles, the receipts are sent to the veterans. This shop is open to the public and it is a good place to find Christmas gifts, table prizes for parties or individual gifts. The next time you are in Chicago, stop in and shop. You will be helping a handicapped veteran to help himself.

Veterans' Craft articles may be obtained from either Mrs. Stadick or Mrs. Burt Anderson, Antioch Unit Veterans' Craft Chairman.

Art Classes For Kids Held In Waukegan

Two separate art classes for boys and girls between the ages of eight and twelve will be initiated on Saturday, January 6, 1968, in Pioneer Hall of Cooperative Trading, Inc., 2424 Washington Street, Waukegan.

Currently, there are two adult classes in Art being held on Tuesday mornings and on Friday nights. These are called Co-Op Paintin' Place and have been enjoyed by some forty adults. Now we will have Paintin' Place-Petite for the benefit of the children.

Saturday mornings from 9-12 will be devoted to instruction in oil painting, while Saturday afternoons from 1-4 will be a class in the arts and crafts. Mrs. Hazel Fox, local art teacher and member of the Lake County Art League, will be the instructor for both classes.

Each class will run for ten consecutive Saturdays with a registration fee of \$30 for the entire course. The arts and crafts classes will include projects in Tempora-Resist, papier mache, mod jewelry, acrylic paint and other art media. For further details call Mrs. Fox at ON 2-6679.

A TASTE-FUL SUBJECT

The feeling that eating with sterling silver flatware makes food taste better is more than a psychological reaction to the beauty of sterling. It's a fact that solid silver adjusts to the temperature of food faster than any other metal. With sterling, there's nothing to interfere with the flavor, texture or temperature of food.

At the same time, he reported, earnings on deposits of state funds by the treasurer in the first 10 months of the year totaled \$19.8 million, an increase of 15 per cent over the same period last year and an all-time record.

The average return on state funds is now 4.24 per cent as compared with 3.86 per cent in December, 1966.

GRANDPA PAID CASH . . for his car, probably right out of savings. Since automobile-financing wasn't readily available there weren't many cars.

Today, you can get a fine deal on a new car from your dealer. And you can do just as well on the financing when you see our bank. Stop In.

we care

Every year, we make the same resolutions!

Because every year, no matter how well we did the year before, our objectives are essentially the same.

To make A&P a friendly courteous store for you.

To be fair and honest in our pricing and labeling.

To sell only quality products we can fully guarantee.

To do everything possible to bring you the most good food for the least amount of money.

To prove we care about you.

We think we did pretty well in '67.

We'll be trying even harder in '68.

Here's a prediction:

When '68 comes to a close, we still won't be satisfied and we'll try harder in '69 and '79 and '89 and 1999.

We don't think we can ever be good enough for you.
